

Friday 26th January

Dear Parents and Carers,

It has been a busy week at the centre where we have welcomed many new students for their first full week. Many of our tutee's at home have also had their first lessons. Congratulations on this milestone!

We re-elected for student council this week as we begin a new term and were pleased to elect two new co-chair in year 11, a vice-chair in year 10 and secretary in key stage 3. We look forward to seeing what changes and suggestions they bring to the school.

Have a great weekend.

Louise.

Parent/Carer Support Group

A reminder that our next session will take place on the morning of Wednesday 7th February 9.30-10.30. Please do join us virtually or face-to-face, we will have a talk from our Brent School Nurse Charlene and school therapist Amanda.

Here to listen: our safeguarding team

Designated safeguarding lead (DSL): **Louise Togher**
Contact details: **07735826382**

Is your child currently waiting for or undergoing a neurodevelopmental assessment?

STAR has been designed to complement the work of existing support teams in Brent. The aim is to support families, children and young people who are under the care of Brent Paediatrics or Children's Mental Health Services (CAMHS) and will be undergoing a Neurodevelopmental or Social Communication Assessment.

STAR is currently a service for children and young people up to the age of 16 in a Brent mainstream school or 19, if they are in a Brent mainstream school Sixth Form

Phone: 0208 937 2472

Email: STAR@brent.gov.uk

Top Tips for... MANAGING SCREEN TIME

According to the latest stats, people aged between 8 and 17 spend four hours on digital devices during an average day. Obviously, a new year is ideal for fresh starts and renewed efforts – so lots of families are trying to cut down their combined screen time right now, creating more moments to connect with each other and relying less on gadgets to have fun. Our top tips on reducing screen time are for everyone, so you can get your whole family involved in turning over a new leaf this year!

GET OUT AND ABOUT

If the weather's decent, spend some time in the garden or go for a walk. Even a stroll to the local shop would do: the main thing is getting some fresh air and a break from your screen.

TRY A TIMED TRIAL

When you're taking a screen break to do a different activity or a chore, turn it into a game by setting yourself a timer. Can you complete your task before the alarm goes off?

GO DIGITAL DETOX

Challenge yourself and your family to take time off from screens, finding other things to do. You could start off with half a day, then build up to a full day or even an entire weekend.

LEAD BY EXAMPLE

Let your family see you successfully managing your own screen time. You'll be showing them the way, and it might stop some of those grumbles when you do want to go online.

AGREE TECH-FREE ZONES

Nominate some spots at home where devices aren't allowed. Anywhere your family gathers together, like at the table or in the living room, could become a 'no phone zone'.

HOLD A SCREEN TIME AMNESTY

As a family, agree specific windows when it's OK to use devices. This should help everyone to balance time on phones or gaming with enjoying quality moments together.

BE MINDFUL OF TIME

Stay aware of how long you've been on your device for. Controlling how much time you spend in potentially stressful areas of the internet – like social media platforms – can also boost your wellbeing.

'PARK' PHONES OVERNIGHT

Set up an overnight charging station for everyone's devices – preferably away from bedrooms. That means less temptation for late-night scrolling.

SWITCH ON DND

Research shows that micro-distractions like message alerts and push notifications can chip away at our concentration levels. Put devices on 'do not disturb' until you're less busy.

TAKE A FAMILY TECH BREAK

Set aside certain times when the whole family puts their gadgets away and enjoys an activity together: playing a board game, going for a walk or just having a chat.

SOCIALISE WITHOUT SCREENS

When you're with friends, try not to automatically involve phones, TVs or other tech. Having company can be loads more fun if your attention isn't being split.

WIND DOWN PROPERLY

Try staying off phones, consoles, tablets and so on just before you go to sleep. Reading or just getting comfy in bed for a while can give you a much more restful night.

12 Top Tips for Children and Young People to Enjoy a TECH-FREE CHRISTMAS

The Christmas holidays are tailor made for families to enjoy relaxed quality time in each other's company – but with distractions like pinging phone notifications, the lure of games consoles and online Boxing Day sales, that can be more difficult than it sounds. Staying off our phones, laptops and tablets, however, can really help us to appreciate the things that genuinely matter at this special time of year. Follow our 12 top tips for a tech-free festive season ... Yule be glad you did! Merry Christmas!

CHRISTMAS CRAFTING

Get out the paper, glue and scissors and have a go at hand-making cards or gift tags. You could also create your own decorations to add a uniquely personal touch to the Christmas tree.

NATURE QUEST

Try a scavenger hunt in the garden or your local park. Challenge yourself and your family to find natural treasures that are symbolic of this time of year – like holly or pinecones, say.

CAROL KARAOKE

Sing your hearts out with a Christmas carol karaoke night. Pick out your favourite tunes and enjoy a musical celebration with family and friends.

WANDER DOWN MEMORY LANE

How about making a scrapbook filled with your favourite memories from Christmases gone by? Unleash your creativity while you enjoy reliving those magical holiday moments.

TRY REFLECTIVE JOURNALLING

Jot down your thoughts, feelings and reflections on the holiday in a notebook or diary – you could also list some of your main goals for the new year.

WRAP IT UP

Take time to get inventive with some luxurious gift wrapping. Break out the wrapping paper, ribbons and bows to make parcelling up those presents into a creative adventure.

WALK IN A WINTER WONDERLAND

Delight in the great outdoors with some gentle walks over the holiday. The family can all wrap up warm as you add to your step count and savour the crisp winter air together.

BE A SEASONAL CHEF

Get the whole family working together in the kitchen for some Christmas cooking. Choose a recipe and whip up a festive feast that all of you can enjoy.

ENJOY A CHRISTMAS STORY

Christmas is a perfect time for sparkling stories. Get cosy and lose yourself in a brilliant book, from Dickens to Dr Seuss or a more modern favourite by Chris van Allsburg or Tom Fletcher.

SNOWY SCULPTURES

If we're fortunate enough to get a white Christmas this year, make the most of the opportunity by having a family snowman-building competition!

GAMES NIGHT GALA

Dive into some old-school fun with a tech-free games night. Classic board games and card games have stood the test of time for a reason!

GOODWILL TO ALL

You and your family could spend a day volunteering – perhaps at a food bank or helping a local charity. After all, kindness and thinking of others are part of what Christmas is all about.

Meet Our Expert

Minds Ahead design and deliver the UK's only specialist postgraduate mental health qualifications. They also provide training and support to education organisations and local authorities – empowering school leaders and staff with the knowledge and tools to shape their settings into inclusive communities where the mental health of pupils and personnel is prioritised.
